WE can save you money if you are in the market for roofing material.

GENASCO ROOFING is made from a pure wool felt saturated and coated with genuine Trinidad Lake Asphalt.

There is no animal or vegetable matter used in the manufacture of GENASCO and it will not oxidize, get hard and brittle and crack.

The New York Testing Laboratory advise that Trinidad Lake Asphalt is the greatest weatherproof and waterproof material known to science.

If you want the best at the right price send us your orders for GENASCO.

ALWAYS WELCOME

Nothing is more acceptable at the 'right time than a bottle of cold, delicious beer. Nothing can exactly take its place. Because of the small percentage of alcohol, combined with rich, strength-giving properties of malt and hops, beer is now recognized as a great temperance drink. If you know good beer—and who doesn't—you will appreciate

PILSENER

It is rich in nutrition and delightful in flavor, a beer fills all the requirements of a good, pure and high-grade article.
